

## Special offer for International students at KU SCIENCE

Become a member of your student association and of JA – your union, see [www.ja.dk](http://www.ja.dk). You only pay the membership fee to your student associations (35 D.kr pr. month) you pay 1 year in advance equivalent to D. kr. 420, while you are in Denmark on the international program at KU SCIENCE. You may receive our membership magazine Jord & Viden and moMentum (in Danish only) free of charge. Please tick appropriate box below.

As your fee to JA is zero, you will not receive the new membership gift. Your membership expires without further notice, when your program at KU SCIENCE expires. If you wish to become a full member of JA, when you have finished your international program in DK, you have to reapply for full membership – see [www.JA.dk](http://www.JA.dk).
